Easy Classic Sock

Materials:

Gone Camping Sock Kit (containing 1 skein of 100gr sock yarn and 2x 20gr sock minis)

DPNS (2,25/2,5/2,75 depending on your preference. I will be using 2,50 in this pattern)

Abbreviations:

K Knit

P Purl

SL Slip

CO Cast on

K2tog Knit two stitches together

P2tog Purl two stitches together

S1wyif Slip 1 stitch purlwise with yarn in front

SSK Slip, slip knit

M1 Make 1 stitch

BOR Beginning of round

PM Place marker

MC Main color

CC Contrasting color

RS Right Side

WS Wrong Side

Sizes:

For the right size, measure your foot and pick the closest size.

S (19cm circumference)

M (21cm circumference)

L (23cm circumference)

Easy Classic Sock

Instructions:

CUFF

You can use your preferred method of casting on. I'm using the long tail cast on.

With CC, CO 56 (64,72) stitches. Divide the stitches evenly between the 4 needles (14, 16, 18 stitches per needle). Join in the round. The yarn tail will mark the BOR, but you can place a marker if you like.

Row 1: [k2, p2] until end of round.

Row 2-10: Repeat row 1.

Row 11: knit one round.

Now change to MC, and continue knitting in stockinette stitch until you have reached your preferred length of leg. Mine is 16 centimeters.

HEEL FLAP

The heel flap is knit back and forth across half the stitches. First knit across the first 2 needles 28 (32,36) stitches. These will be the instep (top of foot) stitches. You won't be knitting these again until the heel flap and heel turn are done. The stitches on needles 3 and 4 will be put onto one needle while we knit the heel flap and heel turn. We will now begin with the heel flap. Switch to CC

To help with picking up stitches later on, it is important to slip the first stitch purlwise.

Row 1 (RS): SL1, k1 [sl 1, k1] across needle 3 and 4 putting them onto 1 needle. Turn work.

Row 2 (WS): SL1wyif, p to end of stitches, turn work.

Row 3: [SL 1, K 1]. Repeat [] until end. Turn work.

Repeat row 2 & 3 until you have worked a total of 28 (32,36) rows. Finish the heel flap with row 2 (purl row).

HEELTURN

The heel turn will be knitted with short rows. This means you turn your work before finishing a row.

Row 1 (RS): K 16 (19, 21), ssk, k1, turn work

Row 2 (WS): sl1, p 5 (7, 7) p2tog, p1, turn work

Row 3: sl1, k 6 (8, 8), ssk, k1, turn work

Row 4: sl1, p 7 (9, 9), p2tog, p1, turn work

Continue until all the stitches have been worked.

Depending on the size you make, you might end with a p2tog and not a p2tog, k1. You will end with a purl row. Turn to the right side, you should have 16 (20, 22) stitches left on the needle.

Easy Classic Sock

GUSSET

You will be picking up stitches along both sides of the heel flap. Then you will distribute them evenly over your needles again. You can either pick up 1 loop or both loops when picking up a stitch, you can choose your own preferred method. I will be picking up both loops and knit the stitch as I go.

Knit across the heel flap and place a marker at **8 (10,11)** stitches (halfway point).

Pick up and knit 14 (16,18) stitches along the heel flap. **Pick up one more stitch** between the heel flap and instep. There are 31 (37, 41) stitches on this needle.

Knit across the next 2 needles (28, 32,36 stitches).

Use the empty needle. Pick up one extra stitch between the instep and heel flap and knit 14 (16,18) stitches along the heel flap, then knit the first half of the heel (until marker) onto the same needle that just picked up the stitches. You should now have 23 (27, 30) stitches on each heel needle.

GUSSET DECREASE

To make sure you don't start in the middle of the heel, knit across the rest of the heel and start at the beginning of the instep stitches.

The upcoming needle is now called needle 1.

Switch to MC

Round 1:

k across needle 1 and 2

Needle 3: k1, ssk, k to end of needle

Needle 4: k to last 3 stitches, k2tog, k1

Round 2: knit all stitches on needles 1-2-3-4

Repeat round 1 and 2 until you have 14 (16,18) stitches left on each needle.

FOOT

Measure your foot from the heel to your longest toe. This measurement minus 5 cm is how long the foot of the sock needs to be before starting on the toe. My foot measured 24cm from heel to big toe, so I knit until I reached 19cm from the heel.

Continue knitting in stockinette stitch until you've reached the desired length.

Easy Classic Sock

TOE

We'll be knitting a standard square toe:

Switch to CC

Round 1:

Needle 1: K1, ssk, knit to the end of needle

Needle 2: Knit to the last 3 stitches, k2tog, k1

Needle 3: K1, ssk, knit to the end of needle

Needle 4: Knit to the last 3 stitches, k2tog, k1

Round 2:

Knit all stitches on all 4 needles
Repeat round 1 and 2 until you have 7 (8,9) stitches left on each needle. Put the stitches from needle 1 and needle 2 onto 1 needle. Do the same for needle 3 and 4. You now have all stitches divided over 2 needles.

Use the kitchener stitch to close up the toe. (You can find great tutorials on YouTube)

Weave in the loose threads and block your socks for the best result.

Thank you for using this pattern to knit your socks. If you have any questions, feel free to get in contact with us through info@theoddodo.com. We love to see your finished socks! Tag us on instagram @theoddodo so we can rave over your fresh finished pair!
